This legislative rule establishes the minimum requirements for the design, construction, management and operation of food establishments.

SUMMARIZE IN A CLEAR AND CONCISE MANNER CONTENTS OF CHANGES IN THE RULE AND A STATEMENT OF CIRCUMSTANCES REQUIRING THE RULE:

The current rule series has not been amended since 2008 and incorporates the 2005 Recommendations of the United States Public Health Service, Food and Drug Administration, (hereinafter referred to as the Food Code) published by the U.S. Department of Health and Human Services, Public Health Service, Food and Drug Administration. The proposed rule amendments include:

Incorporation of the 2013 Food Code;

Amending the various exceptions to the Food Code to comply with state law; and
